Spring 2009

ERSKINE COLLEGE HERITAGE SOCIETY

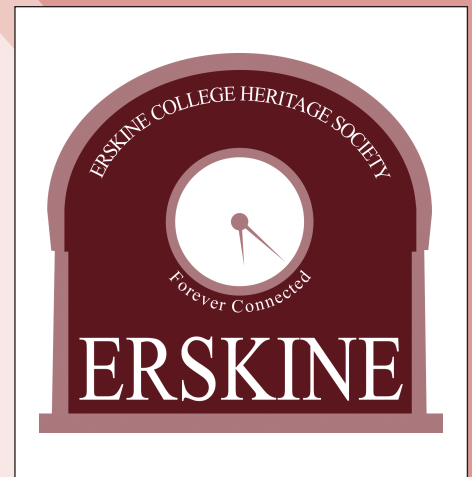

We are honored this spring of 2009 to begin the Erskine College Heritage Society.

The Erskine College Heritage Society is a group of alumni, friends, faculty and staff of Erskine College who share the dream of what this special institution has been in the past and can become in the future. These supporters of Erskine have made the important decision to include the college in their long-term financial and estate planning. These planned gifts are large and small, but each one is special, sometimes repre-

senting all or a portion of what is left from one's life-work. You are a member of the Erskine College Heritage Society by either:

- naming Erskine as a beneficiary in a will, trust, life insurance policy, annuity, or retirement plan; or
- establishing a life-income arrangement, such as a charitable remainder trust or a charitable gift annuity, a scholarship or other specific endowment.

Members of the Erskine College Heritage Society will receive a decal for display on their vehicle and a letter from the college. Future plans for the Heritage Society include the election of officers and an annual meeting. We want to encourage all alumni and friends to take the same step of commitment that these individuals have made. The members will also receive special mailings that pertain to estate and tax issues that could be of interest.

Although nearly 80% of Americans make charitable contributions each year, less than 6% of those same households plan a charitable bequest. Help us encourage your friends and classmates to leave a legacy in support of the values that have made Erskine the type of institution that it is today.

We thank and appreciate all donors and their families. You are important to Erskine College. If you need additional information on the Erskine Heritage Society and the different ways of giving to Erskine, please call us in the Advancement Office.
